

Diabetes Symposium

Friday, 29 August 2014

0700–1600

Naval Medical Center San Diego
Auditorium, Building 5

We would like to welcome you to the Third Annual Diabetes Symposium. Helping patients manage their diabetes can be very challenging in day to day primary care practice. We hope to provide you with some valuable information and tools that will assist you in delivering effective care to your patients with diabetes.

LCDR Thanh D. Hoang, MC, USN

LT Todd Wentz NC, USN

Course Directors

Program Learning Objective:

Provide current evidence based review to primary care providers, specialty care providers, nurses, health technicians, LVNs and corpsmen on fundamental concepts of diabetes mellitus presentation, diagnosis, management and prevention of complications.

Registration: online registration is available at

http://www.med.navy.mil/sites/nmcscd/Staff/Pages/diabetessymposium_reg2014.aspx
